# WELCOME TO THE SHOWCASE

## THE MOMENT I *Podcast*

The Moment I is an experiential limited podcast series and digital showcase of confidence following 10 successful women across Africa on the key moments they had self-doubt and regained their confidence.

In having these vulnerable conversations, we wanted to spotlight what confidence in action means to our voices visually. The Moment I experience is a conversation about the moments we are able to come into ourselves after we lose our way facilitated through visual and audio storytelling (podcast) and art (photography). As you experience the work, we hope that you find the beacon of light to regain and remember your self-worth.

All hair depicted in these pictures were provided by Darling.
